

## Metal Tweezer – Straight Point

Tweezers are hand tools used to grab, handle or hold small objects which may not be possible to pick up by hand and require precision and care. They are ergonomically designed to sit comfortably between the thumb and forefinger and are often manufactured from stainless steel for durability and long-lasting tool life.

**SKU: HTA1053**

### Brief Data:

- Model: TS-12.
- Material: Stainless Steel.
- Non Magnetic.
- Overall Length: 116mm
- Point Type: Sharp Bended.

**Mechanical Dimension:**

**Unit: mm**

## The Face behind our product quality...

In a world of constant change and continuous technological development, a new or replacement product is never far away – and they all need to be tested.

Many vendors simply import and sell without checks and this cannot be the ultimate interests of anyone, particularly the customer. Every part sold on Handsontec is fully tested. So when buying from Handsontec products range, you can be confident you're getting outstanding quality and value.

We keep adding the new parts so that you can get rolling on your next project.
