

2"-inch Caster Wheels with Brake – Heavy Duty

Attach this braked swivel castor wheel from Handsontec to a workbench or trolley. Its smooth-rolling function allows for easier movement of large, cumbersome objects. This heavy-duty wheel is up to the task of transporting heavy loads up to 140kg. As the castor is lockable, you can safely secure the wheel when you're not using it. Its elastic tyre material is non-marking, so won't leave any tracks on your floors.

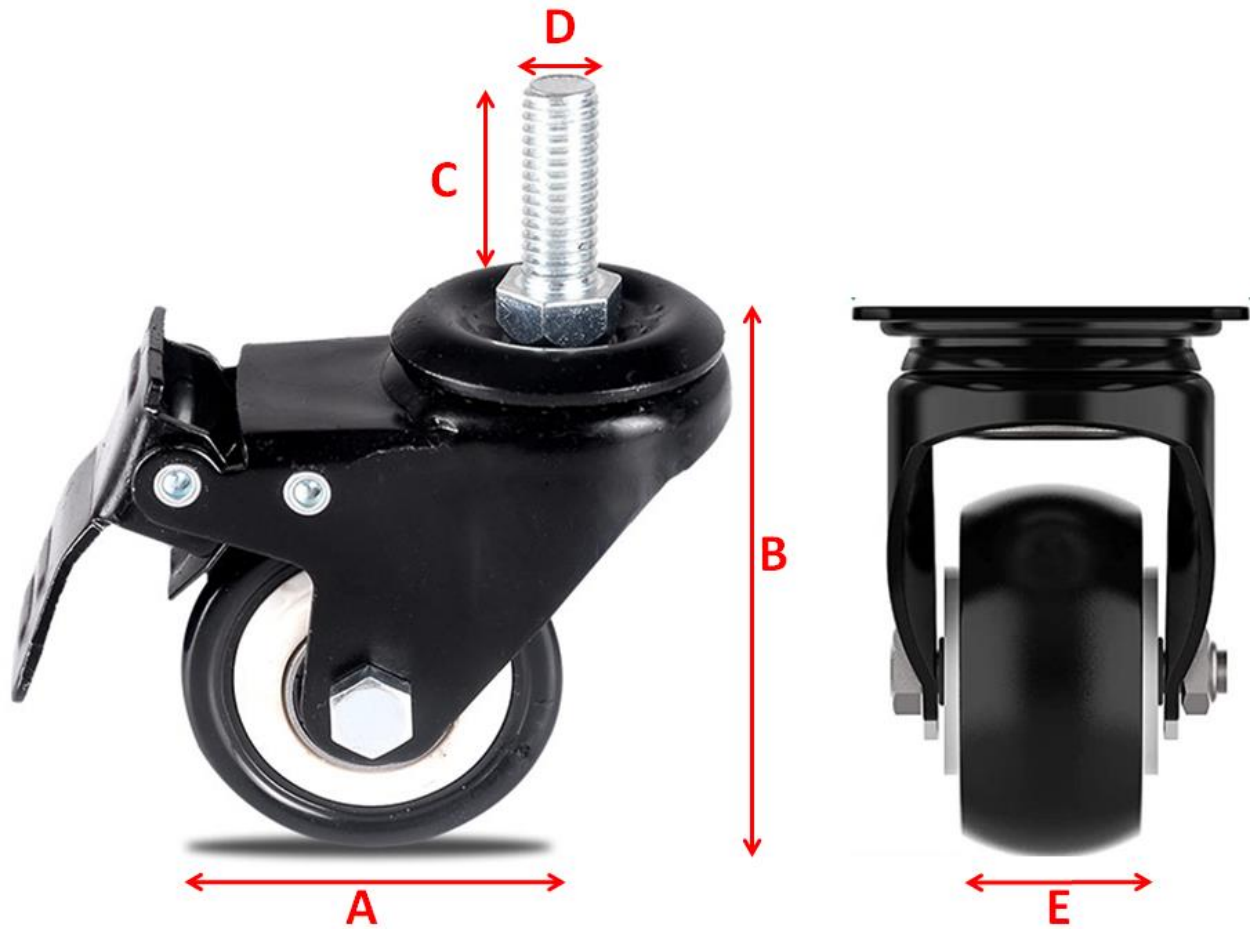

SKU: [ROB1012](#)

Brief Data:

- Wheel Type: Dual roller bearing.
- Wheel Diameter: Ø50mm
- Load Capacity: 140kg.
- Mounting Type: Screw On.
- Overall Height: 70mm.
- Rotation Braked Swivel.
- Wheel Width: 23mm.
- Screw Size: M8x25.
- Tyre Material: Elastic Rubber.
- Includes Brake: Yes
- Weight Class: Heavy Duty
- Hub Material: Polyamide
- Hub Bearing Type: Roller Bearing
- Weight: ~220g.

Mechanical Dimensions:

Unit: mm

The Face behind our product quality...

In a world of constant change and continuous technological development, a new or replacement product is never far away – and they all need to be tested.

Many vendors simply import and sell without checks and this cannot be the ultimate interests of anyone, particularly the customer. Every part sell on Handsotec is fully tested. So when buying from Handsotec products range, you can be confident you're getting outstanding quality and value.

We keep adding the new parts so that you can get rolling on your next project.
